Dear Amon:

I have just had the happy news that your boy is back home again and I just wanted you to know how pleasing this is to me. I know of the anguish that you have suffered during the long period that your son was reported as missing and later when you knew that he was a prisoner in Germany, and I can fully appreciate the joy that is yours in having him back with you. I do hope that he came back in good health with no serious effects of his hardships.

Every now and then Walter Hallanan or some other mutual friend tells me about having seen you in Washington or New York and I just wanted to express the hope that in some of your trips to those places you could find time to make a little short detour by way of Pittsburgh. It would be really inspiring to have a visit with you.

With kindest personal regards and all good wishes,
I am

Sincerely,

M. L. Benedum
