May - 18 - 1944.

Dear Mr. Carter.

I am writing you. As my Brother Lt. Edd Rhodes, Now a prisoner of War in Oflag 64. Germany. ask me to call on you. We have just received his letter, Dated Oct. 1943 - at that time we were in St. Worth, with James J. Taylor and Lon. Edd ask us to tell you your Lon, was in the same Barracks as he. He is well and getting alonge alright, He said they had food enough and the winter was not as cold as they had thought.

Ofcourse he know's you hear from Lt Carter as often as is possible but it may help a little to hear from some of the other boys there. He is alright. Edd writes there are 400 boys there and they are all doing fine. Edd was taken in Africa in Feb 14 - 43. We hear from him about every six or eight weeks. He is also receiving his Packages and letters.

I do hope it won't be too long  
before our boys are home, but I  
can't help being a little glad they  
are out of combat, I know it is  
hard for them to be so confined  
and nothing to do but wait.

I hope you are hearing from  
your son often.

I am, very truly  
Mrs. Rhoades.
