

October 30.

Dear Mr. Carter,

I just wanted
to thank you for
being so thoughtful to
send the cable about
Tom Nicholson. I
don't think I need
tell you how welcome
the good news was.

I called all of his
family and they were
as thrilled as I.

The call was so
unexpected that I
could not do much

more than stutter.
But I do appreciate
it more than I can
tell you.

Sincerely,

Ruth Robertson
