Mr. Amon Carter, Sr.,
c/o The Star Telegram,
Ft. Worth, Texas.

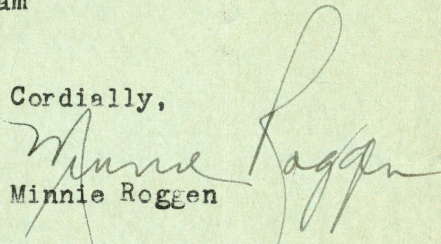

Dear Mr. Carter:

Have just returned from New York where I had the pleasure of being with Larry Allen. Naturally, our chat was quite interesting; just seeing someone who had been with our dear ones.

Incidentally, a young Lt. Webb from Longview has just sent us some pictures of the boys. Amon, Jr., is included and I am wondering if you have these pictures; otherwise, I will be very happy to have some reprints made and send them on to you.

With all kinds of good wishes, I am

Cordially,

Minnie Roggen
