Mr. Amon G. Carter
Fort Worth, Texas

Dear Mr. Carter:

I received in due time your letter of May 31st. So far Larry Allen has not communicated with me nor has Arthur Sulzberger of the New York Times on my behalf been able to get in touch with him.

Should you have better luck, I would, of course, appreciate it very much if you requested Allen to communicate with me at his earliest convenience. Better still, if you should happen to be in New York, as suggested in your letter, the two of us might arrange to meet Allen at the same time.

I can be reached at my office by telephone , BEekman 3-4215, any week-day excepting Saturdays, and on week-ends at my home in the country (Telephone WHITE PLAINS 19). However, during this coming week I expect to be in Washington on Wednesday and Thursday.

I just received a cable from one of my friends in Switzerland that, according to a postal card which my son had written to him under date of May 18th, Dick was in satisfactory health. I hope that you also may ^{continue to} receive similarly satisfactory news from your own boy.

With cordial greetings,

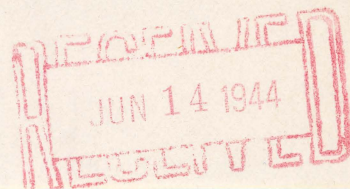

Sincerely yours,

Max J. H. Rossbach

CAPTIVES of NAZIS GET LITTLE FOOD

BARCELONA, Spain, May 18.

- Larry Allen, Associated Press correspondent, on his way home after his release from Germany, said today that the Oflag 64 Camp which houses American officers was "far and away the best camp in Germany."

He said, however, that the senior American officer there, Col. Thomas Drake of Indianapolis, Ind., recently complained to the International Red Cross agent in Berlin over the scanty food provided by the Germans, and Dr. Roland Marti, a representative of the organization, visited the camp, Mr. Allen said.

He declared this was the daily ration provided by the Germans:
Breakfast- One cup of hot water heated by the Americans themselves.
Lunch - Water and soup made of dehydrated vegetables and raw turnips.
Dinner - two boiled potatoes.
