Mr. Amon G. Carter,  
c.o The Star Telegram,  
Forth Worth, Texas.

My dear Mr. Carter:-

The pair of steer horns are so beautiful. I have just wired Will about them, but I felt I must write and thank you myself and tell you how much we all admire them, and what a wonderful friend you are to send such a gift.

They are finer and better than anything of the kind that I have ever seen. I know that your kind thoughtfulness will please Will tremendously and that he will appreciate and prize so much this beautiful gift of yours.

With best wishes to you and Mrs. Carter and the little family for a happy holiday , I am

Most sincerely,

*Petty Rogers*
