Mr. Will Rogers,
Astor Hotel,
New York City, N.Y.

Dear Will:

Enclosed, herewith, you will find a copy of a telegram I am sending President Hoover as well as our Congressmen and Senators.

Everything is working out in good shape and we will all be ready for you. I wish it was possible for you to make a speech before the House of Representatives in Washington and tell these ten thousand dollar a year boys that some of their constituents have not had a square meal for a long time.

Sincerely,

AGC.KD
