

MARYLAND CASUALTY COMPANY  
BALTIMORE

OFFICE OF THE  
PRESIDENT

October 5, 1935.

Mr. Amon G. Carter, President,  
Fort Worth Star-Telegram,  
Fort Worth, Texas.

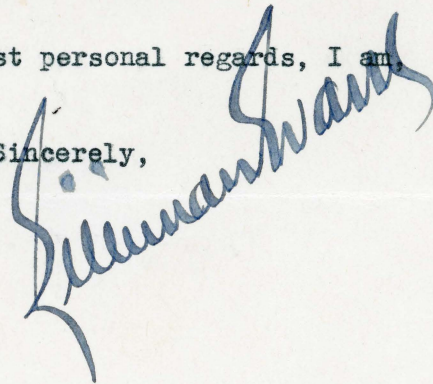

Dear Mr. Carter:

Cerracchio did a head of both Amon and Silliman. They are good. He captured Amon's head, especially his forehead and cranium very well. He did a magnificent job with Silliman. Of course infant heads are the most difficult things.

Cerracchio is a sculptor of good reputation, and has done many fine things. He has lived in Texas a good deal, and would like to do some things in connection with the Centennial. He is good in animal work. I thought perhaps while he was there and, since he is taking the head of Amon along with him, that it would be well for him to meet you.

With kindest personal regards, I am,

Sincerely,
