Honorable Amon G. Carter
President
Fort Worth Star-Telegram
Fort Worth, Texas

My dear Mr. Carter:

Amon thought your letter was swell. The picture of Amon and "Storm" was taken about three weeks ago.

Incidentally, "Storm" the dog, is half German Police and half Boxer. Fred Storm owns the bitch who whelped him and he was by one of Jimmy Moffett's German Police dogs.

Always with best wishes, I am,

Sincerely,

Silliman Evans
