The Hon. Mr. Amon Carter
Fort Worth, Texas

Honorable Sir:

I am writing as per your request, but first, accept the gratitude of both the station and myself for your microphone graciousness while visiting Nashville for the Aviation Banquet so splendidly arranged by our mutual friend, Silliman Evans. Needless to say, I have always admired you at a distance and now to have served briefly as preliminary toastmaster with you and Mr. Evans, you may well know that I am extremely proud. I shall be looking forward to greeting you on our microphone again on the occasion of some future flight to or through Nashville. The hat size you requested is 7 1/8. Be assured that it will be received with due respect and admiration.

Very truly yours,

Tim Sanders
