My dear Mr. Deakins:

I'm just as sorry as I possibly can be concerning one of the planes being broken. However, if you cannot get one from that end of the line, I should imagine that C. R. Smith who gave these out to the different fellows and who happens to be president of the American Airlines and a close friend of Mr. Carter. I know that he would comply with the request of giving him one. I just know it.

Cordially,

Howard E. Baughman
Manager
