Dear Amon:

Another year has rolled around quickly, probably more quickly for me than you as you no doubt look forward to Santa Claus with greater anticipation now than you will when you are sixty years old.

The enclosed Government Baby Bond is sent with my best wishes for a good Christmas and a happy New Year, which is a good time for all of us to make new resolutions to be better little boys and bigger men during the coming year. Remember, one of the finest things any of us can possess is a friendly, courteous and respectful attitude toward all with whom we come in contact. Politeness, as I have told Amon Junior, many times, is the cheapest asset we can acquire - it costs nothing and brings the greatest dividends.

Again, I hope you have a good Christmas.

Sincerely,

AGC.KD
