Mr. Amon G. Carter
Southwestern Exposition and
Fat Stock Show
Fort Worth, Texas

Dear Amon:

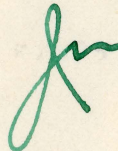

I have before me your letter of the 8th telling me about your annual show. I am sorry the show is this week instead of next.

I hope I may have the pleasure of seeing you in Dallas when I visit there next week, Amon. I am going to get off at Dallas in the morning, and I expect you to take full charge of the breakfast that will probably be given to me by some important Dallas citizens. After that is over I am going to motor to Waco and points east, south and west. I am going to send Bill Lyons to have everything ready. Bill is going to dedicate the Post Office, as you probably realize, and I am going along as a sort of general assistant.

With every good wish, I am

Sincerely yours
