Hon. Amon Carter
The Fort Worth Star-Telegram
Fort Worth, Texas

Dear Amon:

Your secretary very kindly sent me a copy of the wire you sent to John E. King. I was delighted to read it.

I can imagine just how you feel, missing all these affairs in Washington and New York this week. We won't be able to hold you when you get back. With those tonsils removed you will certainly go to town - even Chip will have trouble keeping up with you.

Don't let anything prevent you, Amon, from attending the Derby. I hope to see you and have you give me the winner.

Seriously, I hope you are all right, and with kindest regards,

Sincerely yours,

JAF:MC
