MORNING

SUNDAY

AMON G. CARTER, PRESIDENT

FORT WORTH, TEXAS

October 29, 1939.

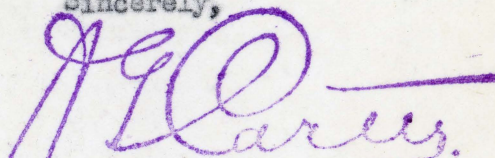

Honorable James A. Farley,  
Postmaster General,  
Washington, D.C.

Dear Jim:

You are a busy man and I hesitate to burden you with long letters; however, I do hope you will take time to read a copy of a letter which I received from E. T. Kellar, President of the Chrysler Corporation, as well as a report from Mr. B. E. Hutchinson, Chairman of the Finance Committee, which will give you some idea of the condition prevailing in their plant now in connection with their strike which could be classed as sabotage. It shows what the NLRB legislation has brought about and is doing more to retard business than it is in helping it.

The cartoon I sent you a few days ago covers a multitude of troubles. This country can never get on its feet and absorb unemployment until these atrocious things are rectified.

Sincerely,

  
Amon G. Carter
