Dear Miss Deakins:

Thank you very much for your kind letter of the third enclosing six copies of the editorial of the Star-Telegram dated July 24. I am grateful to you for getting them in my possession so promptly.

I am delighted to know that Mr. Carter and young Amon are on the job. I am going to give them a ring in a day or two.

I appreciate your courtesy, and I hope that sometime our paths will cross so that I may be able to thank you personally.

With kindest regards, I am
