Dear Amon:

I attach copy of a letter of introduction I have given Jules Glaenzer, of Cartiers, 653 Fifth Avenue, New York City. He is likely to be in Fort Worth in the next couple of weeks, and if he calls on you and presents the letter, I will appreciate it if you will talk with him and give him the benefit of your advice. You probably know him -- you have undoubtedly met him around New York. He is really a great fellow, and has letters of introduction to other people in your State. I would like you to meet him and give him whatever assistance you can.

I am sorry I have not seen you in a long, long time. The next time you are in New York we must get together and settle a few of the remaining questions that are being kicked around.

Bess joins me in sending you kindest regards and best wishes.

Sincerely yours,

JAF
