Dear Amon:

I was happy indeed to receive Miss Deakins' letter of the 8th, and I am grateful beyond expression for your generosity. You are helping us in a time of real need.

You may be sure that Jack Bennett knows all about the Star Telegram, and the Lone Star State. He is a fine fellow, Amon, and he will be a great Governor. You may be certain that you are helping a real Democrat

With appreciation and all good wishes,

Sincerely yours,

Honorable Amon G. Carter,
Fort Worth Star-Telegram,
Fort Worth, Texas.
