Dear Amon:

For your information I haven't gotten anywhere in my efforts to be helpful to Dr. McKnight. Frankly, under the laws of the State, the Board of Regents is prevented from granting an endorsement of a Massachusetts license inasmuch as Massachusetts licenses are not recognized in our state, and I understand, in very few other states in the Union.

They advise me, that it would be advisable for Dr. McKnight to continue and complete the examination he has started, and let us hope that everything will turn out all right for him. I do know that every courtesy possible has been extended to me, and that the Board's attitude is not an arbitrary one in his particular case.

With kind regards and every good wish,

Sincerely yours

JAF/r
