

Manila, Philippines

2 November 1946

Mr. Amon Carter, Sr.
Fort Worth, Texas

Dear Amon:

Mrs. Duffy sent me some of your editorials which, believe it or not, I will read. I have plenty of time on my hands flying around the world and will make good use of some of that spare time reading your editorials. Seriously though, I have already read them.

I was delighted to know about Amon, Jr. I sent him a note congratulating him. I am glad to see Amon Jr. coming along and I know how proud you must be - and justly so.

I hope before many weeks have passed to see you. I left New York on September 5th and expect to be back the last week of November or the first week of December.

From all the reports I have received, our Party is in for a lot of trouble. Looks like we are going to lose the House and the Senate if a toss-up. We may lose by a vote or two. The New York situation is very bad and it looks like the Republicans will lead by over half a million. They had it coming to them because there was not a chance for Mead to win after what I said about him in 1942.

I hope you are alright, Amon, and I hope to see you soon in either one of my favorite hang-outs - your Apartment at Fort Worth Club, or out in the Stark Club in New York city.

Say "hello" to Bob Hicks and also Charlie Lupton. My best to you, Amon Jr. and Ruth.

Sincerely,

JAMES A. FARLEY

JAF/pji

P. S. It looks as if you and I will have to put the Party together after what is apparently going to happen.
