NEW YORK 22, N. Y.

JAMES A. FARLEY
CHAIRMAN OF THE BOARD

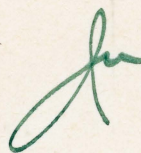

Dear Amon:

I am sorry but I forgot to tell you that when in Auckland, New Zealand, I met Joe Heenan, who is connected with the government there, and he inquired about you. He asked me to extend his kind regards.

It is apparent that I am slipping, Amon, as my memory isn't what it used to be.

With all good wishes,

Sincerely yours,

Mr. Amon G. Carter
