Dear Amon:

Upon my return from abroad your letter of July 31, and the complimentary gold badge as Honorary Vice-President to the Southwestern Exposition and Fat Stock Show, together with copy of the annual program were brought to my attention.

I am delighted to have this program, Amon, and who knows that I may be able to be present at the show next February and have the great privilege of using this badge.

I had a splendid trip abroad. My boy, Jimmy, whom you know very well was with me and together we enjoyed every minute we were away. I do hope I will see you soon and when we do get together we will have a grand discussion.

My best to you always.

Sincerely yours,

JAF-ar
