Dear Amon:

Upon my return from an extended trip to Europe the marked copies of your paper were brought to my attention.

While I haven't had a chance to read them I expect to do so, and I know with interest. There is no doubt that they are most worthwhile and I appreciate your giving me the opportunity of reading them.

I had a fine trip, Amon, but am glad to be home.

With kind regards and all good wishes,

Sincerely yours,

JAF-w
