Dear Mr. Carter,

My mother says you were responsible for the nice write up and picture of me, which was in last week's paper. I was really happy to win the contest over Bob Casby and appreciated the write-up very, very much. The Ft. Warr. S. C. Telegram has always given me such nice mentions and pictures which help help me when they are needed.

Another thing, I want to hear your son was glad to see he is dead as it is but is much better like this than if he were dead. I shall never forget what a good-looking boy and nice boy, that he was.

Missed the track show so much this spring. It just doesn't seem right for March to pass, without coming

division there for the Stock Show  
and Rodeo. Maybe it won't  
be too long until we can  
return to our normal living.

again, may I say thanks  
for your consideration and  
thanks for all the past  
favours, you have done for  
me.

Sincerely

Tom Sawyer

P.S. Still am wearing the  
hats you gave me and still,  
am just as proud of them  
as I was, when you gave  
them to me.

J.S.
