My dear Mr. Carter,

I presume you  
have returned from England by  
this time and I do want to  
thank you for your kind  
thoughtfulness in having  
your office telephone me of  
your contact with my  
husband, Colonel Sibley.

In a recent letter,  
Colonel Sibley mentioned  
spending a most

delightful evening when  
you were host to  
himself and a friend.

I can assure you both  
Colonel Sibly and myself  
greatly appreciate your  
helping him get his mind  
off the job.

I felt quite "picked  
up" after speaking with  
your Secretary for I feel  
close to England and to Lib.

It was indeed a kindness  
I trust we may some day  
have an opportunity to  
return.

Sincerely  
Roseville C. Sibley
