Mr. S. Carter Ft Worth
Kind sir

my sincere Thanks for
your letter of April 7
about my son for Joe & Sorek
being prisoners of Japanese
Gov. I appreciate your
interest and I assure you
that I am feeling much better
that I know that he is alive
it took about 10 months before
I knew he was prisoner after
the surrender of Corregidor
and I am sympathizing with
you having a son missing
in north africa and
^{hope} you will soon hear of him
only prayer can console us

sincerely yours

Janet Sorek
