Mr. Lamon G Carter
Fort Worth Texas,
Dear Mr. Carter,

I received the set of pictures last week that you so kindly sent to me and I certainly do appreciate them.

They were very interesting and good of all the men. The one of the boys and Lt. Carter was especially good.

The last letter I had was dated Jan 8th. I imagine it may be some time before we have any information from them.

Any information you may get concerning the 91st I hope you will pass along to us here in Indianapolis.

Thank again and with best wishes,
I remain

Sincerely,
Mrs George W Stipp
