Mr. Amos G. Carter,
Fort Worth Star Telegram,
Fort Worth, Texas.

Dear Sir:

At this time I want to express my appreciation for the long distance telephone call, relaying to me the message from my husband, Warrant Officer, Clarence W. Stoner. It was such a nice thing for a busy man like you to do and doubly appreciated as it is so hard to hear from "our boys" these days.

Would you be allowed to tell me the date of this meeting with my husband? I realize the place is a military secret.

Am also very much interested in your account of this trip over there if you have an article or series of articles, in your paper, on the subject, would like so much to

have these copies mailed to me
at my expense.

Thanking you again for this
courtesy, as it was indeed a great
thrill for me when I received this
message. I remain

Very truly yours

Frederica C. Stoner
