

COLONEL CHARLES P. SUMMERALL, JR.
ARMORED FORCE SCHOOL
FORT KNOX, KENTUCKY

22 May 43.

Mr. Amos Carter,
St. Matthews, Tex.

Dear Mr. Carter,

I thank you very much for your letter and for the enclosures. It is very pleasing to read the letters from Amos Jr. and I hope that all is as well with him as can be under the circumstances. It is reasonable to believe that his letters present a true picture and that no pressure is brought to bear to make him write otherwise.

As concerns his promotion, Maj. Stepp wrote me that none of my recommendations had been approved and that the officer who eventually took over the battalion selected

to make his own selections.

I hope eventually Anon's promotion, along with several others will go through.

It would give us pleasure if you would visit us if you ever find yourself near St. Paul.

I hope the news from Anon will continue reassuring and that before long an exchange of prisoners will find him back in the Ancon forces.

With very personal regards in which Mrs. Summell joins me, I am

Sincerely yours,

O. P. Summell
