

COLONEL CHARLES P. SUMMERALL, JR.
ARMORED FORCE SCHOOL
FORT KNOX, KENTUCKY

15 Aug 43

Mr. Amos J. Carter,
St. Worth, Texas.

Dear Mr. Carter,

This is a very belated note to thank you for the copies of Amos's letters and the newspaper article about him.

I hope that you and he can communicate regularly and that his letters are as reassuring as possible under the circumstances. I know his happy disposition is a fine influence among those with him. He is a fine boy and you can well be proud of him. I hope it will be my lot to be among the forces that liberate all our prisoners and particularly those of the 1st Armored

Division.

It is always a pleasure to
hear from you and of course

Mrs. Summell joins
me in warm regards.

Sincerely,

C. P. Summell
