

December 18, 1944.

Mrs. Dalton Medlin,  
104 Star Street,  
Bonham, Texas.

Dear Mrs. Medlin:

Your letter of December 7 addressed to the Fort Worth Star Telegram has just found its way to my office and that accounts for the delay in sending you pictures made in the Prisoner of War Camp, Oflag 64, Germany, in which you advise that your husband is interned. Enclosed you will find these pictures which you may keep as they are copies of the original.

Incidentally, last week I received a card from Amon Junior dated September 14 and his mother received one dated September 28, which is the latest information we have had from him.

Sincerely yours,

ACC.SB
