Dear Mr Carter:

I'll just write you a few lines to let you know that I received a letter today from Amon Jr. His letter was dated Feb 23.rd and was uncensored. I sure was glad to hear from him and have written him a long letter which I'm going to try and send by Air mail. He didn't have much to say about himself, but he gave me a little information about the fellows who are with him. I wrote him at the address which you gave me some time ago, and if there is any change I'd like for you to send me his corrected address. The one I have is OFLAG 64, GERMANY. I'm going to write to him faithfully from now on.

I'm still at the hospital here in TOPEK

but I expect to be released before long. I will probably go back to limited duty at Ft Sill. I'd like to go back to Ft Knox. I had a bone-graft operation performed on my heel in January and that is what has been keeping me here so long.

I got a letter the other day from Major Malless. He is back in the States now. He was injured in a jeep accident. Maybe you have heard from him.

I will close now, but I wanted you to know that I had heard from Amon Jr.

Very Sincerely
1st Jim Simmons
