Dear Mr. Carter:

My wife and I were visitors to our daughter-in-law at Abilene on the past week-end and she read to us your very nice letter regarding our son, Lt. John A. Stansell, and we wish to thank you very much for your being so nice as to write her regarding his well being. We are all praying and hoping that the war will end soon and our boys may come home.

As indicated in your letter, your son has had quite some time in the prison camp located in Poland. We trust that they will in some measure enjoy themselves as much as possible.

Again thank you for your lovely letter and with your next letter you write your son, thank him for us. With sincere regards, I am,

Yours very sincerely,

A. T. and Mrs. Stansell

Vice President,
