

Austin, Texas  
Feb. 21, 1945

Dear Mr. Carter.

No doubt you are as anxiously awaiting the news and names of those liberated as the rest of us. Your newspaper seems so much more up to date on the subject than any other and I feel that you will probably know whether or not Major Swindlers name is among those liberated long before I could so if you get that news will you please wire me collect. I would appreciate this very much.

yours sincerely.

*Mrs. Perry Swindler  
1516 Palma Plaza.*
