

Dear Mr. Carter. I thought
had no more news of
Maj. Swindler. Associated Press says
he is on a boat on his
way home. News Cast.
in Ohio last Sat said
he had landed Friday
and was on a ~~to~~ plane
to Texas - which proved
false of course. An
article in an Eastern
news paper said some
had reported to the
front again. This is
what he would do if
given a choice, I'm sure.
If you read the latest
Red Cross Prisoners of
War Bulletin you will
find your son mentioned
in the article about
Aflag 64. Sincerely
Mrs. Swindler
