Mr. Amos G. Carter,  
Fort Worth, Texas,

My dear Mr. Carter:

I want to thank you for the copy of the Menu aboard ship when you last saw our boys. This will have first place in my Treasure Book.

Dr. Talbot and I do gratefully appreciate all that you have done for Green. The happiness and encouragement you gave him, and many other boys from here, will always be a dear fond memory for them, and of equal comfort and pleasure to the families at home. I am sure all must feel, as we do, very grateful to you.

Mr. Carter, we do hope and pray that this mighty conflict will soon end, and that your son will not be long in coming back to you. While so young it seems to have to go through all this, he has certainly done his part—a big part—and he is a wonderfully brave fine boy.

With best wishes, I am

Sincerely,

Rose A. Talbot,

(Mrs. W. O. Talbot)
