Dear Mr. Rentfrow:

Your letter of February 15th in answer to an article in the El Paso Times concerning the whereabouts of Lt. Thieme received for which please accept my thanks.

Lt. Leo V. Thieme had just arrived at the prisoner of war camp where my son is interned and he sends me the names of the Texans just arriving and asks that I communicate with their family and give them any information available. In his letter about Lt. Thieme his address was given as El Paso and the letter was returned. Therefore, a request was made of the El Paso Times to try to locate his family.

I am sure Mr. and Mrs. Thieme will appreciate your passing the word along and I, too, want to express my appreciation for unless you have experienced this anxiety and worry you can never know what it means to have someone give you any information available.

Sincerely,

AGC:KD
