Capt. Lee S. Thomas,

Capt., A. C.
APO 643, Miami, Florida.

Dear Captain Thomas:

Your note of May 2 received enclosing a letter from Florian Piskorski, who in turn had forwarded to you a card dated December 28, 1944 from Amon Junior who was at that time interned at Oflag 64 at Schubin. As you probably know, he has been liberated at Stalag III-A in Luckenwalde and we at home are anxiously awaiting his return. I am sure that it is needless to tell you how very much Mr. Carter as well as Amon Junior appreciates your being able to get supplemental food to him through Portugal and any expense you may have incurred will be gladly refunded if you will only make it known.

With best wishes, I am

Yours very truly,

Secy. to A. C. Carter.
