Mr. Bascom Timmons,
Star-Telegram Correspondent,
1253-55 National Press Building,
Washington, D.C.

Dear Bascom:

Your letter received and it was thoroughly in line with what I really anticipated. Meanwhile I was glad to know of the treatment the officers are to be accorded and I am sure if Amon Junior is a prisoner he will adapt himself to the situation and make friends with his captors.

Meantime I want to express my thanks and appreciation to you for your friendly interest.

Also please thank Mrs. Timmons for looking after the flowers for me.

Sincerely,
