

THE WHITE HOUSE
WASHINGTON

April 30, 1943.

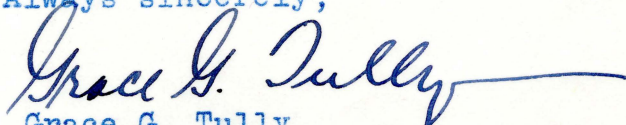

Dear Mr. Carter:

That is wonderful news about the boy, and we are all delighted.

We were all disappointed not to see you when we were in Fort Worth. Mrs. Brady and I did, however, see Mrs. Deakins who, as always, looked after us. We had luncheon with her at the Club and enjoyed our visit. She is a fine person and you are a lucky man to have such an efficient and loyal secretary. They are hard to find.

With all good wishes to you,

Always sincerely,

Grace G. Tully
Private Secretary

Mr. Amon G. Carter,
