Dear Mother. have received fine letters from
you this week, including Janette's picture. Still
no word about the baby. I hope everything
is OK. I've received 2 food parcels and four
tobacco parcels. yes I've met Amos Carter Jr.
Swell guy. Was his Dad able to tell much
about our Camp? understand that you can
write air mail for six cents, how about trying
it? dont worry. everythings OK here.
Your loving son
Leonard.

Dear Mother. I sincerely hope that Janette
is getting better now. I just received your
letter telling me how sick she was after the
baby was born. Mother if you need money

for any thing, use the money I have
allotted to the bank. Was happy to hear
that James and Edd could come home.
Was also glad to hear that Rubys brother
is to visit you, Christmas. Give my love
to all the family, and my friends. dont
worry.
Your loving son
Leonard.

Mr Carter

James and Edd he speaks of, are my
other two sons, who are in the Army. The
red cross helped to secure them a home
when my Daughter was so ill. Jettie and
Ruby he speaks of, are my Daughters. Who
are here with me. You see how he told
me he would be home for Christmas?
hope our sons will join us soon.
Will appreciate any information you
can give me of this camp or the boys.

Sincerely your friend

Mrs Lora Vaden.
