

Texarkana Ark Feb 13th 45.

Mr Amos Carter

St Worth Tex.

Dear Sir.

My son Lt Frank M. Vinson Jr
is a prisoner in Germany Camp Oflag 64.
And he writes me that your son is also
a prisoner there.

Frank has mentioned your
son several times, and has asked me to
get in touch with you, hinting that
perhaps you could give me some information
that he could not write.

He writes that you could advise
me better than anyone just what to send
him in the Boxes.

I saw a letter ^{received} to day he writes to not send
clothing. It seems that food is the main
thing he wants.

When he went over he weighed 180 lbs
He now only weighs 136 lbs.

If you have any inside information that will
be of any help or consolation to me I will appreciate
very much a letter from you.

Frank's wife is Hazel Vinson 1110 Fair Oaks Houston Tex

Yours very truly

F. M. Vinson 1003 Grand Ave.
