My son, Lt. Amon G. Carter, Jr., who is a prisoner of war in Germany advised that his POW Number was 1595. This was confirmed by the War Department, meanwhile I note that the labels for parcels to Amon Junior carry the number 4269 under my address as well as his and I wonder if you would advise whether 4269 has any significance insofar as his address is concerned or if it is your file or reference number? Thanks and best regards.

Amon G. Carter
