

CAMP WHEELER, GEORGIA

April 24

Dear Mr Carter,

I just got word from  
my father in Moscow that  
amon is in Germany I suppose  
Pat R told him at  
least that is something  
to be thankful for. I roomed  
with Jack Habel at  
Culver and we roomed  
right next to amon and  
antim.

I would surely like to  
hear what details are  
available and also ~~who~~  
his address in order that  
I may write him.

I am now at a prep  
school, previous to enter  
infantry officer school at

Benning. Just returned from  
England in March. Got there  
in October. So must have  
been there while Amos  
was in Ireland.

Please let me hear  
from you and let's hope  
that Amos will be back  
with us soon

Sincerely  
Roger White
