Mr. Amon G. Carter,  
Fort Worth, Texas.

Dear Amon:

I rejoice with you in the news that your son is a prisoner of war in Germany, Of course that is bad, but I know it is delightful news to you. Everybody I have seen that knows the boy, says he is a fine fellow and you have every right in the world to be proud of him.

With affectionate good wishes, I am  
as ever

Your friend,

PW.M
