Mr. Amon G. Carter, Sr.
Fort Worth Star Telegram
Fort Worth, Texas

My dear Mr. Carter:

A day or two ago I received from your office some tear sheets from the Fort Worth Star-Telegram relative to Lieutenant Carter's capture. At the same time I learned that you have had some news from him direct and that such news was reassuring.

Permit me, therefore, to say how sincerely acquaintances like myself join with your friends in rejoicing over such good tidings.

Sincerely yours,
