

The Speaker's Rooms  
House of Representatives U. S.  
Washington, D. C.

May 22, 1942.

Mr. Amon G. Carter,  
Fort Worth, Texas.

Dear Amon:

I have your letter of May 15th enclosing editorial from the New York Times. I think your views are very sensible. I don't think the House Committee will give the proposition of not permitting anyone to make over \$25,000.00 a year much consideration as it looks to me like it would be infringing on efficiency.

I agree with you on what you have to say about a sales tax. I don't see why we should not go on to a sales tax now as we ultimately will have to come to that. We can do that and not make taxes so heavy on the people who are really in production.

I am always glad to hear from you.

With every good wish, I am

Sincerely yours,
