Hon. Sam Rayburn
Speaker of the House
United States Congress
Washington, D. C.

My Dear Congressman:

I am extremely interested in HR 5268 which I understand has just passed the Senate. This bill has been amended since it originally passed the House. I am particularly hopeful that this bill will be favorably recommended by the joint conference committee with the Church and Spiegel case amendments in it. Mr. Wright Matthews will be in Washington, D. C. this week and I would appreciate your letting him explain in particular my interest in the bill. I understand Senator Lucas, among other administration leaders, backs the bill.
