Dear Folks:

Got my first letter on September 28th - from Jean. Understand one fellow, as lately captured as I, got a letter from home. Here's hoping.

Still in good health. Getting enough to eat. Saw "Spring Parade" with Deana Durbin. Enjoyed it greatly.

Playing a touch football game tomorrow on which I have the extravagant wager of one chocolate bar - one week's ration. (in Red Cross box)

Tonight the band is having a swing session.

Nothing else.

Love,

R. C.

Hope everything is coming along OK.

R.C.
