Dear Mr. Carter.

I received a card about the pictures made at the Terrence's funeral at Oflag 64. Germany from Mrs. Grace Peterman. She said Mrs. Jones and Mrs. Barron have prints of them - these are the ones (pictures) I ask Felma Littlejohn to call you about. I'm sorry I haven't written you sooner but if you could get me a print I would appreciate it so much. If there is any charges be sure and let me know. We haven't had a picture of my husband, Lt. Williamson, in eighteen months or more. I have one baby that has never seen her Daddy and one two small to remember him - the other four

remember him. We would so  
love to have this picture. Have  
you had any news from the  
Camp? I had a letter dated Sept. 20  
which I received Dec. 23. He didn't  
have much to say except not  
to worry about him. I received  
my parcel label last week  
and sent his package off.

I hope you have <sup>had</sup> good news  
from your son and thanks for  
everything.

Mrs. C. A. Williamson
